

The safety of stake holders is as important as Quality. To promote Safety along with Quality, Department of Electronic and Information Technology issued a notification 8(14)-2006 IPHW Vol. III published in Gazette of India in October 2012 mandating compliance with safety standards for 15 products.

The order requires self declaration of compliance to relevant Indian Standard by manufacturer consequent testing of the product at BIS (Bureau of Indian Standard) approved laboratory and registration with BIS.

STQC is pleased to announce approval of its laboratories viz. ERTL(W), Mumbai; ERTL(N), Delhi and ETDC Bangalore. Please refer Testing Services and respective laboratory for further details.
