6.6 Upon suspension or withdrawl/cancellation of certificate of registration/licence the ago/marks in all the products/publicity material to be withdrawn immediately.

6.7 Termination

- a) If certification is withdrawn from the organisation in full the organisation shall immediately cease use and distribution of any certificates, stationery and literature bearing the certification mark.
- b) If certification is withdrawn from a certified organisation in respect of some of its activities the organisation shall immediately cease the use and distribution of any stationery and literature bearing the certification mark, saving those which relate in whole or in part to activities which remain accredited.
- c) If certification is withdrawn from an certified organisation in respect of a certification system whereby it owns and licenses a certification mark, it shall take all reasonable steps to ensure that it immediately cease use of any stationery and literature bearing the accreditation mark.

6.8 The extract of general conditions regarding the use of mark/logo of respective certification schemes are given below:

6.8.1 Use of ISMS Certification Logo/Mark

The ISMS certification logo/mark shall always appear as indicated on the certificate.

- Any of the above logo/mark can be used. The minimum size of the logo for display is not specified. However, it shall not be displayed in a size which becomes unidentifiable or unreadable to the unaided eye. Aspect ratio will always be 1:1.
- Colour combination will not be changed. No alteration shall be carried out in the image. The logo has to be used in full whenever used.
- Certification Body encourages the use of ISMS certification logo/mark, by certified organisation in their publicity and promotion. Use of the logo shall be restricted to correspondence, advertisement and promotion relating to the certified organisation.
- The certified organisation shall identify the scope of certification to which the certificate of registration applies when using the logo in any context where the scope of registration is open to doubt.
- The logo shall not be displayed on or in association with product or packaging which contains a product, process or service supplied by the registered organisation (see also note below)
- It is not permitted to use STQC ISMS certification mark to be applied by certified clients to laboratory test, calibration or inspection reports or certificates

- Certified clients shall not use certification logo/mark or any statement thereto on product packaging , if applicable , implying that the product , process or service is certified by way of that management system certification(e.g ISO9001, ISO27001, ISO20000-1 etc. The statement , if any, shall include reference to — identification (brand or name) of the certified client;
- — the type of MS (QMS, EMS, etc) & applicable standard;
- — the CB issuing the certificate

NOTE: It is obligatory on the part of registered organisation to seek the prior approval of Certification Body regarding the form in which it proposes to use the ISMS logo

- The logo shall not be displayed in promotion or advertising by any organisation other than that stated on the certificate of registration

6.8.2 Use of logo (Accreditation body's mark)

- In case the registered organization is interested in using Accreditation body's logo/mark, Certification Body will authorize within the scope of its accreditation to use the accreditation mark in combination with its certification mark. Accreditation body logo/mark cannot not be used in isolation of STQC Certification Mark or otherwise by certified client.
- The accreditation body logo will not be permitted to be used when the scope of certification is not under accredited scope.
