

NOTICE

Expression of Interest to Participate in FRR Test

False Reject Rate (FRR), field testing for authentication devices is rescheduled to be conducted at IIQM/ETDC Jaipur from 16th Apr – 27th Apr 2018. Scope of testing covers finger print authentication devices (discrete), IRIS authentication devices (discrete), IRIS authentication devices (integrated with mobile/TAB), FPS authentication devices (integrated with mobile/TAB). This FRR exercise can also be utilized by manufacturers of biometric devices using newer technologies offering different specifications (DPIs, platen sizes and Minex/ Irex) to assess their device performance in the field as a proof of concept.

The workshop has been rescheduled at STQC Directorate on 09th April 2018 from 10.00 AM to 1.00 PM, in this regard, all interested Vendors / Suppliers/ solution providers shall contact STQC to register participant name and address their queries/ concerns on FRR.
