A. Testing and Certification of Biometric Devices for UID Application

| | |
|---|--|
| Application fee | Rs. 10,000/- |
| Testing fee | Rs. 4,00,000/- for the first time, 40% less on subsequent devices subject to condition that they are submitted together |
| Evaluation & Certification fee | Rs. 50,000/- |

Additional Certificate Charges Rs.1,000/- for each additional copy of certificate

B.

| | |
|-------------------------|---|
| Surveillance fee | Rs. 30,000/- (fixed irrespective of number of devices) |
| Annual Charges | Rs. 10,000/- (for each device type/application) |

Note: In case of technical changes to the Biometric Devices/ software /UID Applications, product will be re-tested, evaluated and certified and client has to pay complete charges as described in A and B.

Note: For Performance Testing (FRR) the Supplier shall share the amount incurred for carrying out the test which will be based on actual cost and will be in addition to (A) and (B) above. Separate invoice will be raised for this test.

Note: The above charges are for sensor/extractor and/or device testing and certification. For terminal test separate invoice will be raised depending on extra efforts required to do additional test.

Note: add service tax (@12.36%)
